## Welcome to GWRRA

It is our pleasure to welcome you to the Gold Wing Road Riders Association. You may acknowledge with pride that you not only ride the finest motorcycle on the road today, but you also belong to the largest single marquee motorcycle association in the world with members represented in all 50 states, as well as in 58 countries.

GWRRA is proud of its leadership role in pioneering membership benefits and setting standards for other motorcycle organizations to follow. Of all the benefits, the local Chapter is the greatest single benefit of GWRRA. Through the "Chapter concept," we offer a non-religious, non-political environment to meet new friends; to enhance your motorcycle skills and knowledge; and an opportunity for you to join us in improving the image of motorcycling.

### History

Founded in 1977, with a group of seven people, GWRRA has grown to more than 78,000 U.S., Canadian, and International members. Over 850 active Chapters, managed by 4,000 volunteer Officers work with members to foster safe, enjoyable riding while also working to improve the public image of motorcycling. The Association is built on 4 simple ideals:

- Promote "safety" for enjoyable riding.
- Promote "friendship" among all motorcyclists.
- Promote the "positive image" of motorcycling.
- Promote "fun" which is the common thread that runs through the Association.

### Benefits

There are many benefits to a GWRRA membership. Members enjoy the camaraderie, fellowship and prestige of belonging to the largest "family" of Gold Wing owners. The Individual and Family Members are guaranteed to receive:

- Wing World Monthly Magazine
- Gold Book Service Directory
- Rescue Plan Emergency Roadside Assistance
- GWRRA exclusive satisfaction guaranteed or your money back.

Additional benefits available to all members are: Chapter Life, Leadership Training, Rider Education, Group Motorcycle Insurance, GWRRA Official Products, Web Site and Campground, Motel/Hotel, and Travel Agency Discounts. All the latest benefits can be found at:

<http://www.gwrra.org/membership.html>.

### Structure and Organization

The GWRRA support structure is almost entirely made up of appointed, volunteer leaders. At the Association's Home Office, in Phoenix, Arizona, there is a small, paid staff; the Chairman of the Board and office personnel. The Home Office takes care of the day-to-day business activities, prepares the monthly Wing World magazine, publishes the Gold Book Service Directory, fills orders for GWRRA Official Products and plans, manages and promotes Wing Ding, GWRRA's annual Convention.

Reporting to the Chairman of the Board is the Director of GWRRA and three Program Directors. The Director of GWRRA and Program Directors are appointed volunteer leaders.

There are more than 850 Chapters, 60 Districts, and 12 Regions throughout the U.S., Canada, and 58 other countries. Each of these are led by appointed, volunteer Directors and Assistant Directors, who make up the Operations.

Membership Enhancement Program (MEP) - Focuses on the "Friends for Fun" aspect of our motto. It oversees various programs including: Public Relations, Couple of the Year, Fun Activities, Recruiting/Retention and the Special Interest Groups.

Rider Education Program (REP) - The purpose is to make the motorcycle environment safer by increasing skills and awareness. It focuses on the "Friends for Safety" aspect of our motto. This Program provides seminars, courses and maintains a close working relationship with the Motorcycle Safety Foundation. It provides a means where Members can achieve advancing levels of rider safety and education. Motorist.

## Structure and Organization (continued)

Leadership Training Program (LTP) - Provides formalized training programs that provide opportunities for new learning experiences and personal growth to any of our Officers and Members who wish to take advantage. The Program is responsible for the "Friends for Knowledge" aspect of the motto.

"Officer" - refers to the Region, District and Chapter Directors and Assistant Directors along with Ride Educators, Treasurers and Membership Enhancement Coordinators at all levels.

### Chapter Life

First of all, you don't "join" a Chapter! You are a Member of GWRRA and a Participant of any and all Chapters. You can participate in as many or as few activities and Chapters as you wish! There are no applications or fees needed to participate in a GWRRA Chapter.

Chapters are self-supporting and do not receive any portion of your annual GWRRA Membership dues. Because most Chapters incur expenses (e.g., printing newsletters, annual ride schedules, event flyers, etc.), various methods of raising funds are found. In addition to "50/50" tickets, other events such as Craft and Bake sales and Raffles are conducted by the Chapter. There is no obligation to buy anything in order to participate.

As with many organizations, a Chapter is comprised of a number of volunteers that help keep the Chapter having FUN and riding safe. Here are descriptions of key positions within the Chapter organization:

#### Chapter Director (CD) (Officer position)

- Serves as Team Member to the District Director (DD).
- Assumes organizational and advisory control of the Chapter.
- Arranges for a place to hold Chapter Gatherings.
- Appoints Members to serve as Chapter Team.
- Directs activities and programs through the Team.

#### Assistant Chapter Director (ACD) (Officer position)

- Assists the CD in an effort to bring about a well-coordinated, FUN, active, Chapter.
- Works with Team Members.
- Assumes CD's duties in his/her absence.

#### Chapter Ride Educator (Officer position)

- Promotes GWRRA's Rider Education Program.
- Relays information to Chapter Participants from District Educator.
- Provides regular articles in the newsletter regarding safety.
- Set-up classes in safety (CPR, First Aid, Road Captain, etc.).
- Provides Rider Education talks at each Monthly Gathering.

#### Treasurer (Officer Position)

- Cannot be related to CD or Assistant CD, or live in the same household.
- Keeps a record of Chapter finances.
- Writes checks for expenses at the direction of the CD.
- Assists CD in establishing prudent, reasonable, and fair fiscal policies.

#### Membership Enhancement Coordinator (Officer Position)

- Utilizes the Area Report to remind Participants of their Membership Expiration Date
- Identifies new Members who have not attended a Gathering.
- Makes visitors, guests and new Members feel welcome and "at home."
- Encourages members to recruit others to join the Association.

Besides these positions described, the following are a few of the other positions Chapters may have:

Ride Coordinator: Instructs, informs and assists the Road Captains, Group Leaders and other Participants in group riding. Plans and directs group rides to (and sometimes from) the destination point.

Other positions to be considered are Phone Tree Coordinator, Goodie Sales, Newsletter Editor, Webmaster, etc... How many positions a Chapter decides to fill are determined by what positions a CD would like to have and if there are volunteers to fill them.

## Rider Education

GWRRA has an outstanding Rider Education program. We are very fortunate in Florida to have a Rider Education program that ranks #1 in the Association. Through the efforts of our great District Team, courses are offered to Florida GWRRA members totally free of charge.

GWRRA promotes Safety and Knowledge for all of its Members throughout the Association. As such, they have developed a Levels Program that is available to all its' Members.

### Level I "Safety Through Commitment"

## Terminology

As with any organization, there are terms you will hear which may be new to you or may have some unique meaning within GWRRA. We've attempted to identify and define some of these. However, if you hear something and are not sure, just ask.

### Chapter Gathering

A monthly get-together where the CD takes the opportunity to discuss what the Chapter had recently done along with upcoming schedules. Normally during this time there will be a Rider Education presentation. Most of all, this is meant to be FUN!

### 50/50

Helps fund expenses. Tickets are sold and are based on a random drawing. Half the money (50%) is given away, and the other half (50%) is deposited into the Chapter treasury.

### Poker Run or Rally

Normally serves as a fundraiser for the Chapter, District or Region. There are many formats, but during the "Poker Run," you may be required to stop at certain checkpoints and draw a card or draw all your cards at the end of the ride when you check in.

### Kick Tire

Normally a once a month social event at a designated location.

### Rides

Breakfast, Lunch, Dinner, Dessert/Ice Cream, Charity, Mystery, Leap Frog and Bug Run are just some of the terms used to describe a ride. Some have a special meaning while others just describe the type of ride.

### Team Meeting

Chapter Team meets to plan upcoming Chapter events.

### Wing Ding

An International Rally held during early July in a different part of the country each year. It is complete with vendors, training seminars, bike shows, skill events, rides, light parade, Drill Team performances, Chapter Challenges, people games, Opening/Closing Ceremonies, 50/50, Talent Show, Grand prizes, etc... An average of 11,000 Gold Wings attend this Convention every year. The most striking feature of a Wing Ding is how much like a family reunion it is.

## Wings of Wesley Chapel Specific

The "Wings of Wesley Chapel" (FL1-L2) is a Chapter within the Florida District, which is part of Region "A". We are located in the west-central Florida area, specifically in the heart of Pasco County. This makes for a good starting point for motorcycle rides throughout the state of Florida.

The first time you join us for a Gathering, Kick Tire or ride, you will be our guest. If you join us a second time, you become part of our "family". We take great pride in our Chapter family for we truly believe in unity and supporting one another.

We are a very active Chapter that averages 13 events a month. We try to have a good mix of riding, social events and visiting other Chapters. Our normal calendar each month will have the following:

- Chapter Gathering: 1st Tuesday of the month.
- Kick Tire: As shown on the Chapter Calendar.
- Ride scheduled on Saturday or Sunday (or sometimes both)

Our Chapter Participants are involved with the Rider Education Program. We continue to hone our skills through Parking Lot Practices, Experience Rider Course and numerous other seminars. Once you become part of the Chapter, we automatically enroll you in the Rider Education Levels Program.

### Calendar

Our Ride Calendar is published monthly in our Chapter Newsletter and posted on our website (<http://www.FL1L2.com>). If an event is posted on the calendar it is consider an official Chapter event.

### Chapter Shirts

During any Chapter event we would like to see all Chapter Participants wearing a Chapter shirt, however, it is not a requirement. You can obtain a Chapter Shirt or other items from the Chapter Goodie Sales.

### Chapter Gathering

We gather the first Tuesday of each month. Our Gathering location is Lexington Oaks Golf Club in Wesley Chapel at 26133 Lexington Oaks Blvd. As part of the Gathering, most people eat anytime after 6:00pm with the official Gathering starting at 7:00pm. You can find detailed directions on our web site.

### KSU (Kick Stands Up)

On our Ride Calendar you will find a KSU time. This is the time that the Chapter will depart the meeting location for a ride.

### Ride Meeting Locations

We use two meeting locations to depart on rides. Our first location, known as the NORTH location, is the 7-11 at Old Pasco Rd and CR-54. Our second location, known as the SOUTH location, is Bealls at The Shoppes of Wiregrass. 1814 Bruce B Downs Blvd, Wesley Chapel, FL 33543.

hesitate to ask. We welcome you to our family.

## Wings of Wesley Chapel Specific (continued)

### Newsletter

Each month we publish a Chapter Newsletter. In the newsletter, you will find great information about what the Chapter has done, going to do, and general information. A Chapter Participant can receive the newsletter via email or at the Chapter Gathering. Let the CD know which way you would like to receive the newsletter. Any Chapter Participant can also submit an article for publishing in the newsletter.

### Chapter Participation

It is up to a person to determine which calendar events they wish to participate in. Though we encourage everyone to participate in all events, never feel any pressure to participate in something you do not want to.

### Riding or Events

We are always looking for new ride ideas or places to visit. If you have an idea or a place you would like to visit, let the Ride Coordinator or CD know.

The items in this guide are to provide you an overview of GWRRA and the Wings of Wesley Chapel Chapter. If you have any questions, please don't hesitate to ask. We welcome you to our family.
